TEAM CHALLENGE
'A' SHOW
SATURDAY 16TH OCTOBER 2010
RULES AND REGULATIONS**

Attire and Tack for Improver Classes

All riders must wear:- long pants or jeans, a long sleeve shirt, boots with a heel (ie: western style boots or jodhpur boots) and a hat or safety helmet. Approved safety helmets are required for ALL youth under 14, and optional for other riders.

Any bridle/bit is permitted providing it is legal to AQHA rules. (Ask show committee if you are unsure).

Riders may use two hands on reins regardless of bridle.

Any type of saddle is permitted.

No training aids are permitted as per AQHA rules.

Unregistered horses are permitted.

General Rules

Improver Rider/Horse combinations are accepted at the discretion of the committee.

The committee decision is final.

Youth competitors are not permitted to show stallions in any event.

Normal classes to be run as per AQHA rules.

Late entries will be charged \$20 per horse.

Team Challenge Rules

Each team will consist of 4 horse and rider combinations.

Each horse and rider in the team must allocate which category they will be competing in for their team eg. Open, amateur, youth or improver. The team may consist of any combination eg. 1 open, 1 amateur, 1 improver, 1 youth or 4 of one category eg. 4 amateurs, etc. or 2 amateurs and 2 youth.

The ideal goal would be to have 1 rider in each division so score maximum points but not essential. Therefore, an amateur, improver or youth could ride as an open rider for the team or an improver could ride as an amateur. (Open rider cannot ride as amateur, improver or youth).

Once this decision has been made, the combination must compete in this category only for the team challenge.

The points from each class will be calculated to 10th place with 1st place scoring 10 points, 2nd place 9 points and so on. If less than 10 horses compete then points will be allocated based on number of horses ie. If 5 horses compete, 1st = 5 points, 2nd = 4 points, etc.

Each team must chose a team name and have a mascot, team colors and a team uniform for the **compulsory** freestyle event. It is optional for the team to wear their uniform for the other classes.

Halter classes are not included in the Team Challenge. All other classes are optional and will score points for teams.

Each team must choose a piece of music, not longer than 3 minutes for their freestyle class and perform together to the music. The class will be judged on degree of difficulty of movements, precision, synchronisation and imagination. Additional points will be given for presentation of your team at the end of the freestyle class.

The All Age classes are the point earning classes for the open riders participating in the team challenge.
